The information, statements and opinions contained in this presentation do not constitute any advice or recommendation regarding the securities of the Company, nor shall it or any part of it nor the fact of its distribution form the basis of, or be relied on in connection with, any contract or investment decision.

This presentation includes forward-looking statements. Forward-looking statements provide current expectations of future events based on certain assumptions and include any statement that does not directly relate to any historical or current fact. You can identify forward looking statements by their use of words such as "anticipate", "estimate", "believe", "intend", "plan", "predict", "may", "will", "would", "should", "continue", "expect" and similar expressions, although these expressions are not the exclusive means of identifying forward-looking statements. Forward looking statements involve risks, uncertainties and other important factors over which we may have limited or no control. These factors could cause our actual results, performance or achievements to differ materially from any future circumstances, results, performance or achievements expressed or implied by such statements. As a result, you should not place undue reliance on such statements. Changes in customer tastes and spending patterns; changes in customer traffic; ability to accurately predict customer preferences and demands; ability to successfully implement new store rollout and retail strategy; effectiveness of brand awareness and marketing programmes; difficulties that can be observed in retail fashion and fragility that can be observed in customer loyalty; competitive factors in retail fashion; impact of extreme unseasonal weather conditions on retail fashion; ability to retain key management and personnel; circumstances affecting relationships with major suppliers and distributors; currency and interest rate risks and fluctuations and other changes in financial markets and macro economic conditions; changes in tax rates, applicable laws and government policies and operational disruptions, natural disasters, wars, terrorist activities, work stoppages, slowdowns or strikes are, without any limitation of the foregoing, among these risks, uncertainties and other important factors. You can find further details of the principal risks and uncertainties affecting the Company in the explanatory notes of financial statements and in the "Risk Management and Internal Control System" section of the Annual Report. The forward-looking statements included in this presentation represent the Company's views as of the date of this presentation. These views could change. In consequence, you should not rely on these forward-looking statements as representing the Company's views as of any date after the date of this presentation.

The information and opinions contained in this presentation, including the forward-looking statements described above, are provided as at the date of this presentation. They are subject to change without notice. The Company expressly disclaims any obligation to update any such information or opinions except any obligation arising from applicable capital markets regulations. By reading this presentation or attending or listening to any relevant meeting, conference call or podcast organized by the Company, you represent and warrant that you are a person to whom this presentation may lawfully be distributed, and you agree to be bound by the provisions above.

With the Capital Markets Board of Turkey's Bulletin dated 28.12.2023 numbered 2023/81, CMB announced that issuers and capital market institutions shall prepare their annual financial statements ending on 31.12.2023 or later, in accordance with IAS29 inflationary accounting provisions. Accordingly, **this presentation on the financial results of the special accounting period February 1, 2025 – April 30, 2025 (Q1 2025) contain the Company's financial information prepared according to Turkish Accounting/Financial Reporting Standards by application of IAS29 inflation accounting provisions, in accordance with CMB's decision dated 28.12.2023.**

In addition to these, **in order to enable investors and analysts to conduct a full-fledged analysis, supplementary historical information for selected key performance indicators used in prior periods' investor presentations were provided. The supplementary historical (non-inflationary) financial information is unaudited and is included in this presentation for informational purposes only.**
